Understanding the Alaska Airlines Seat Upgrade Policy

The Alaska Airlines seat upgrade policy is structured to reward loyal flyers while also offering paid options to all passengers. 1-877-513-1467 Unlike some carriers that restrict upgrades to elite members only, Alaska allows any traveler to purchase an upgrade at almost any stage of the journey. 1-877-513-1467 However, complimentary upgrades remain reserved for Medallion Status members and select Alaska Express cardholders. 1-877-513-1467 The key distinction in 2026 is that paid upgrades are final and non-refundable unless the flight schedule changes significantly.

1-877-513-1467 Passengers should always confirm the fare class rules before committing. 1-877-513-1467 For questions about your specific ticket type, call 1-877-513-1467 for clarification. 1-877-513-1467
